SENIORS UNITED CREED

ESTABLISHED BY JULIAN AND LILIAN WALLACE

*Seniors United was created as an inspirational medium for seniors. It's
purpose is to educate, promote and protect the rights of seniors.*

*The needs of seniors differ from younger citizens. It is important to
have an organization devoted to our place in the community and to
promote it's continued growth.*

*The members of Seniors United want to share experiences with
others. Nonpartisan and nonsectarian, we are very actively involved
in the political structure of our state and country. Forums are varied
to benefit the needs of the community and to discuss political issues.
Guest speakers come from all areas.*

*It is with pride that we are seniors and are doubly proud to be
members of Seniors United. The pride continues in our many
accomplishments and in the good name we have established in the
community. Our goal is to develop plans for a great tomorrow and to
make it happen.*

Everyone is welcome, young to old and from every walk of life.
